

BOY SCOUT TROOP 243

PHOTOGRAPHIC RELEASE

During the course of Boy Scouts of America programs, photographs are taken for purposes of an historical record of Troop 243 as well as the personal enjoyment of the Scouts, their families and the adult leaders involved in the program. Some of these pictures capture the spirit of our program and activities, and there may be an opportunity to use them for inclusion in the Troop's web site and other Troop publications, slide shows, other BSA publications, and/or to promote Troop programs.

Through this release you are authorizing Troop 243 to print, publish and display pictures of your child to promote BSA programs through BSA publications and the Troop web site. Troop policy states that no Scout's name will be used without prior permission of the parent or legal guardian.

I, being the parent or legal guardian of _____,
authorize the BSA to use photographs of my child named above in any BSA publication, public presentation promoting the program, and on the Troop 243 web site.
